FINALS FEVER!

Tomorrow we play host to the Preliminary Final at Tony Clarke Oval. Three netball teams will take part on the day, hoping the home ground advantage (and plenty of skill and smarts) sees them victorious. If this is the case, they will join the B Grade Netball team in the Grand Final the following Sunday in Romsey. What a day tomorrow will be! There's nothing like some September finals action.

On Friday 16th of September, we will be having our annual Presentation Night, where we celebrate the seasons of teams and players. If you haven't already, make sure you purchase your ticket for yourself and any friends and family wishing to come.

The RDFNL Bowen and Ryan Medal is taking place at the end of the month. We have 5 football and 3 netball player invitees. Any one wishing to attend the night needs to let Sallyanne Brennan know. The cost of the night is \$80.

In these last two weeks of finals, we hope that everyone can come support our netball sides and help guide them to success.

HARRISON HANGS UP HIS BOOTS

After 20 years at the Cattery, Harrison Shipp has decided to hang up his playing boots. Harrison has been a rock solid player in the Reserves and has been a great clubperson during his time with the club.

SHOWING OUR SUPPORT IN FINALS

How amazing are our supporters! The crowd can play an extremely important role in finals so we've loved seeing our Macedon Cats community come out in support of our players on the football field and netball court. So remember; cheer loudly, encourage often and help the club get some premiership flags on the wall. Here are some photos showing just how great our supporters are:
