

## Join us in building our Macedon Cats Coterie in 2023

**“Traditionally, our Coterie members are considered to be amongst the most dedicated, enthusiastic and supportive members of the Club”**

**“Connect with others who share your interests and passions”**

**“Coterie Membership is ideal for both individuals and corporates.**

**It is also flexible to suit different attendance levels”**

**“Some people enjoy coming to the Club, not so much to see the Football and Netball but to enjoy a day out, connect with other community members in a friendly environment – and at the same time, make a contribution towards an important community club.”**

Macedon Cats Senior Football Netball Club has been a Premiership Club in many respects in recent years. The Club continues to be the club of choice for many players with the emphasis placed on a great culture, being a safe place for young adults to hang out and strong coaching values. For the first, the club is fielding a women's football team in the local RDFNL competition. The supporting factor has been strong planning and investment in great facilities with “state of the art” football & netball lights, the electronic scoreboard and playing surface. Many of these developments have been the result of the Coterie input and support.

This year, the Coterie is seeking to regroup with an exciting program of events, designed to tell some local stories, share some comradery .... And have some fun! - Please join us.

## Speaker Introductions

| Date/<br>Time                       | Our Guests   |
|-------------------------------------|--|
| <b>Sat 6<sup>th</sup><br/>May</b>   | <b>Footy Q&amp;A</b>   |
|                                     | <p><b>Tony Jewell</b></p>  <p>Tony played most of his football for Richmond and was known for being “hard at it”. As with many legends, there have been several strands to his career, involving both playing &amp; coaching. Tony had coaching stints with both Richmond and St Kilda. He enjoyed Grand Final success both as a player and coach.</p>  |

| <b>Sat 17<sup>th</sup><br/>June</b> | <p><b>Mal Brown</b></p>  <p>Malcolm Gregory "Mal" Brown is a former Australian rules footballer and coach in the Victorian and West Australian Football Leagues. Tim was born and bred in Macedon and captained Macedon Cats for a number of years. His CV is quite amazing – he now plays a leading role in the Keiser Group, itself Macedon born and bred by Gary Harley and Tony Smith. Tim has developed from qualified physio to be a leading thought leader featuring on the Today Show and SEN.</p> |
